I am writing to let you know that EPA has made a decision to initiate a watershed assessment of Bristol Bay, focusing primarily on the Kvichak and Nushagak drainages. The attached letter will provide you with more information on this decision and the overall process we will follow to characterize the risks of large-scale developments on the Bristol Bay salmon fishery. Please feel free to contact Rick Parkin at (206) 553-8574 should you have questions.

Thank you.
